Welcome to our new Student Council Members - Finn McNamara and Morgan Bailey Bergin from 6th Class, Ella McDonnell and Ella Kerslake from 5th Class, Kate Gallagher and Louise Noble from 4th Class and Isabel Mc Conaghy and Sophie Sanoa- Bayoumi from 3rd Class. They are looking forward to representing their classmates and contributing to a positive and welcoming school environment.

The role of the student council in Le Chéile ETNS is to

- Promote the inclusive ethos of our school.
- Promote values such as kindness, respect and co-operation.
- provide an opportunity for pupils to voice their opinions and offer suggestions in relation to many aspects of school life
- offer an opportunity for all pupils to voice their opinions on proposed changes and thereby play a very significant role in improving our school
- act as a channel of communication within the school organisation, between pupils and between home and school.

Members meet once a month. Prior to these meetings, the Student Council representatives collect ideas and suggestions from all classes using their classroom pupil suggestion boxes for the agenda. As well as bringing matters to the Council for discussion, the members report the outcome of meetings to the other classes. The Student Council organises a coin collection for a chosen charity at Christmas and runs the annual Talent show.
